Download the app directly by scanning the QR code below and following the instructions. Football live scores on FootyStats has fast livescore coverage of 1000+ leagues from around the world. We also combine real-time data with pre-match to help you gain insights into the world's most important leagues, cups, and tournaments. Live fixtures from all football leagues have scores, score minutes, half time and second half scores, cards, assistants, subs, and many other points of interest for each fixture. Our pre-match stats include goals scored per match, top goal scorers, top assist creators, h2h record, and many more data points. The biggest leagues that we cover for live scores are the UCL, EPL, Bundesliga, Serie A, Ligue 1, and many others are also included. Our H2H coverage gives insight into each fixture's past results up to 10-20 seasons prior. You can also add leagues to your favourites to help you find the livescore fixtures easier for that particular league.
