Serial number • Numéro de série • Número de Serie The Incognito shower door adds a clean, modern look to any bathroom, and with a slim header and thin edges, it's easy to achieve a minimalist look. This shower door is simple to install making it an excellent choice for your bathroom renovation project. Watch our installation video for step-by-step instructions. For tub doors: Please note the installation process is similar to the shower door installation process. The only differences that need to be accounted for are the shorter door height and the difference in the threshold base. Always refer to the installation guide for complete instructions.
