Friday Night Funkin' is a 2010 game that has enjoyed some success in its PC versions, and by popular demand, has been adapted for Android. Now, more than ten years later, it has been very successful on platforms such as TikTok and Twitch, where thousands of users are recreating the game and imitating its moves and dances in the most original videos. In case you still do not know it, we will tell you that this is a musical game where your mission will be to get a kiss from your girlfriend but to do so you have to convince her father. How? Well, in the most logical way: by singing in rap battles. Follow the rhythm of the music and defeat all the characters Beyond the moral component of the approach, this is a game of skill where we will have to follow the arrows on the screen to tap the buttons in the right direction, following the indicated rhythm, in the style of the classic arcade dance machines. With the movements we make to the rhythm of the music, the character will rap against the father. Also, we will not have to lose sight of the lower status bar, which indicates how close we are to winning or losing. Week by week, or level by level, we will see the plot advance and how our character will have to face new challenges and new battles to continue his fight for love. Overall, this FnF offers good graphics, and above all, a simple and addictive game mechanic very easy to follow, with easy-to-handle controls. In case you have any doubts, it offers a tutorial and has two game modes: a free mode in which you will rhyme endlessly, and a story mode, where you can face one character after another as long as you manage to defeat them. Finally, it should be added that this is an open-source game so that many developers are creating Mods with their own version of the story, with new characters, or with different music. Enjoy a fun and unique game with musical rhythms with Friday Night Funkin APK in which you can test your musical knowledge and reflexes. You try to kiss your girlfriend just like you want the most in the world but her bad dad doesn't let you get close to her and her only purpose is to end your life around this girl to protect you. But you have a little chance to make your dream come true! Her father is a former rock star. The only way to reach your heart and save your life is through the power of music. Try playing the right notes at the right time to get enough points to win! Friday Night Funkin is a fun rhythm game in which you have to fight against the father of your hot girlfriend. Experience rhythm and definitely impress your future father-in-law. Gameplay Your girlfriend's father is always in pain because no matter what you do, she will never be good for her daughter. His films like Bad Boys Two and Dan have shown that he is already a borderline in cliches. On Friday evenings Funkin comes up with everything in the coloured pulp. Friday is fun and anxious to meet your important dad. It will shake your knees and shake your heart. There are four modes available for your entertainment: Bopebo, Deadbuttle, Fresh and Tutorial. Rhythm style game like Dance Revolution. Start with Bopibo and Devil Vs. Play. Listen as the prince of the dark prince and try to get rid of your girl. Follow the arrows on the screen and make sure your time is error-free. Otherwise, you get lost and start the round. Deadbolt takes the challenge to the next level, playing against Evil Dad, mastering the beat, surpassing him as a former rock star, and singing your tunes into his girl's heart. Battles begin with your opponent's melody and you follow with one direction key on the screen. The following icons show your progress and how you are progressing through this deadlock. It doesn't get much better on Fridays. Friday Night Funkin APK, get lost in the music and do it yourself! Features of Friday Night Funkin APK The game mechanics are easy to follow Beginner control Very fun music Let the music play! Friday Night Funkin APK is an Android and PC game that will challenge the price of your rhythm. The game will ask you to press a button at a specific time: the screen will tell you which button to press and the game will show you both the rhythm accuracy and the time. The mechanics are similar to DDR, where the floating arrow matches its shape (at the top of the screen) when you press the button. You will play like a white-skinned boy with sky blue hair. He is competing for a kiss from his girlfriend, but his father will not allow it. The groom must first be able to beat them in song. Using your WASD or arrow keys, you need to match each arrow to the best. The result of each lap is determined by a measuring device at the bottom of the screen. The meter can be moved left or right. When a friend wins and when he loses he goes to the left. The colour of the meter also depends on how well you play (green to win and red to lose) You will also play against other musicians like Pico, Monster and Skid and Pump. Game mechanics will play against you. How to Download and Install? To download our app, click the "Click to Download Friday Night Funkin APK" button above. These games are popular especially to music lovers who can't get through the day without music. Friday Night Funkin is a popular PC game that has been adapted to a mobile game. In this game, your only mission is to get a kiss from your girlfriend by getting permission from her father! To do this, you'll need to outperform him on a sing-off. We say sing-off but in reality, you'll just need to press the right arrow keys at the right time. It sounds easy until you get to harder levels where the tempo is much faster. Can you still get permission from her father when your love is on the line? Try your best in this funny and entertaining music game now. Participate in a Sing-Off In modern games, there are plenty of things you can do when it comes to music. But the most common games involving music seems to be the rhythm-type ones. This is where you will just tap different keys to correctly time them in accordance to the music being played. In Friday Night Funkin, this is exactly what you'll be doing except with a few twists here and there. First, you'll need to get the permission of the father of your girlfriend to get her kiss. Then, you'll need to battle each other in sing-off to prove your worth. This is done by trying to out-sing each other by tapping the right keys in sync to the beat. The more accurate you are, the more the green bar will move. You can practice in the game if you're a complete beginner before going to the battle. There's also a Story Mode and a Free Play where you can do whatever you want. Overall, the game follows the PC game closely and it gives users a different type of visuals from the ones we're used to. Friday Night Funkin Features Do you want to impress your girlfriend's father so bad you participate in a sing-off? Prove your worth in Friday Night Funkin and sing to the beat! Music Rhythm Game - If music is your passion, then you must have played a lot of these games by now. After all, there are thousands of music-related games available to be played right now. However, if you're looking for a game that isn't available anywhere, try Friday Night Funkin. This exclusive game is from the same popular PC game loved by many. Here, you'll need to prove your worth by singing! By singing, you need to hit the right arrow keys as they pop up in different times. This is in response to the song that's being played in the guise of you singing. But here, you'll battle a lot of people including your girlfriend's father to get his permission. The more accurate you are, the more chances of you winning! Story Mode and Free Play - In this world, no problem can't be solved by a sing off! In Friday Night Funkin, that's exactly what this game is all about! First, you'll battle your lover's dad so that you can get a kiss from your girlfriend. Then, you'll be on a fun battle spree against top singers! Aside from that, you can practice freely in the Free Play so that you will be ready when the time comes. In this game, you'll also need to take note of the progress bar below the screen as this indicates how close you are to winning. When the green bar is more visible, it means that you're winning. But when it reaches the end and it's red, you'll lose! Various opponents and songs - Aside from fighting the dad, you'll also get to experience battling other expert singers in here. You'll sing different songs that have fun beats and different tempos. The further you get, the harder the songs will be! But you just need to be quick and be accurate and press the right keys at the right time to win. Visually-appealing graphics - Friday Night Funkin isn't the normal music game where it's in 3D. The characters are drawn in thick lines with vivid colors. Then, there are also fun locations in here that will test your limits! Enjoy a visually-appealing game now! Straightforward controls - This game probably has one of the easiest controls. There's a virtual arrow keys pad on the screen that you can easily tap. Night Funkin Mod APK - No ads Can you fight for your love using music? Download Friday Night Funkin now and prove your skills and worth!
