Color image not available: Download Flash to view this video Player Flying Car Stunt 2 is an exciting two-player racing game that you can play online and for free at Silvergames.com. Drive a futuristic and powerful car with wings on the side and try to reach the finish line of each level. Watch out for giant hammers and axes on your way to the finish line or you'll be pushed off the road. Use your wings to perform the craziest stunts and earn points to get the most points. Grab your best friend and drive these luxury sports cars in 2 player mode to see who is the fastest. You can also race against time and enjoy the whole screen yourself. Are you ready for this fast paced adventure? Learn and have fun with Flying Car Stunt 2! Controls: Arrows/WASD = Drive, T/P = Nitro City Car The stunt saga continues in the second game of the series. Brand new modern cities and futuristic supercars await you. In addition to the vehicles from the first game in the series, you can drive stunt shows with 7 completely unique, awesome vehicles that can be customized with the latest skins. We have changed the physics of the game, now you can drive vehicles in the air. Thanks to the advanced controls, the game will get even more fun. The recently added Nitro feature will give you more options for traps and ramps. You can play the game in both single player mode and 2 player mode. You will also have a "Free Ride" option to do a freestyle show just like in the previous game. Try to complete 6 different tracks in the game before time runs out! Each levela new car that will make you stronger for the upcoming levels!
