The **Frontiers In Oncology** is a research journal that publishes research related to Biochemistry, Genetics and Molecular Biology, Medicine. This journal is published by the Frontiers Media SA. The ISSN of this journal is 2234943X. Based on the Scopus data, the SCImago Journal Rank (SJR) of frontiers in oncology is 1.075. Also, please check the following important details about frontiers in oncology: Publisher, ISSN, Ranking, Indexing, Impact Factor (if applicable), Publication fee (APC), Review Time, and Acceptance Rate. According to Clarivate's JCR, journals indexed in SCIE/SSCI have an impact factor. Frontiers In Oncology Ranking Impact Factor: 3.35-Year JIF: 3.8[SJR (SCImago Journal Rank): 1.075]Quartile: Q2The latest Impact Factor List (JCR) was released in June 2025. The Impact Factor of Frontiers In Oncology is 3.3. The impact factor (IF) is a measure of the frequency with which the average article in a journal has been cited in a particular year. It is used to measure the importance or rank of a journal by calculating the times its articles are cited. The impact factor was devised by Eugene Garfield, the founder of the Institute for Scientific Information (ISI) in Philadelphia. Impact factors began to be calculated yearly starting from 1975 for journals listed in the Journal Citation Reports (JCR). ISI was acquired by Thomson Scientific & Healthcare in 1992, and became known as Thomson ISI. In 2018, Thomson-Reuters spun off and sold ISI to Onex Corporation and Baring Private Equity Asia. They founded a new corporation, Clarivate, which is now the publisher of the JCR. Important Metrics Journal Title: Frontiers in Oncology Publisher: Frontiers Media SA ISSN: 2234943X Journal Scope: Biochemistry, Genetics and Molecular Biology; Medicine Country of Publisher: Switzerland Scopus CiteScore: 6.9 Scopus Coverage: 2011-2025 H-Index: 156 SJR: 1.075 Quartile: Cancer Research (Q2); Oncology (Q2) Open Access: YesIndexing The frontiers in oncology is indexed in: UGC CAREScopusWeb of Science (SCIE)DOAJPubMedEmbaseAn indexed journal means that the journal has gone through and passed a review process of certain requirements done by a journal indexer. It's publishing house is located in Switzerland. Coverage history of this journal is as following: 2011-2025. The organization or individual who handles the printing and distribution of printed or digital publications is known as Publisher. Visit the official website of the journal/conference to check the further details about the call for papers. Publication Fees The highest fee charged by this journal is 2950 USD as publication fees (article processing charges or APCs) other charges Review Speed Expect on an average 14 weeks from submission to publication in this Journal. The ISO 4 standard abbreviation of Frontiers in Oncology is Front. Oncol.. This abbreviation ('Front. Oncol.') is well recommended and approved for the purpose of indexing, abstraction, referencing and citing goals. It meets all the essential criteria of ISO 4 standard. ISO 4 (International Organization for Standardization 4) is an international standard that defines a uniform and consistent system for abbreviating serial publication titles and journals. If your research field is/are related to Cancer Research (Q2); Oncology (Q2), then please visit the official website of this journal. The acceptance rate/percentage of any academic journal/conference depends upon many parameters. Some of the critical parameters are listed below. The demand or interest of researchers/scientists in publishing in a specific Journal/Conference. Peer review complexity and timeline. The mix of unsolicited and invited submissions. The time it takes from manuscript submission to final publication. And Many More. It is essential to understand that the acceptance rate/rejection rate of papers varies among journals. Some Journals considers all the manuscripts submissions as a basis of acceptance rate computation. On the other hand, few consider the only manuscripts sent for peer review or few even not bother about the accurate maintenance of total submissions. Hence, it can provide a rough estimation only. The best way to find out the acceptance rate is to reach out to the associated editor or to check the official website of the Journal/Conference. Frequently Asked Questions (FAQs) Frontiers in Oncology latest impact IF is 3.14. It's evaluated in the year 2024. The highest and the lowest impact IF or impact score of this journal are 5.67 (2020) and 3.14 (2024), respectively, in the last 11 years. Moreover, its average IS is 4.44 in the previous 11 years. The Frontiers in Oncology has an SJR (SCImago Journal Rank) of 1.075, according to the latest data. It is computed in the year 2025. In the past 11 years, this journal has recorded a range of SJR, with the highest being 2.088 in 2015 and the lowest being 1.066 in 2023. Furthermore, the average SJR of the Frontiers in Oncology over the previous 11-year period stands at 4.44. The latest h-index of the Frontiers in Oncology is 156. The Frontiers in Oncology is published by the Frontiers Media SA, with its country of publication being the Switzerland. The Frontiers in Oncology is currently ranked 4275 out of 27955 Journals, Conferences, and Book Series in the latest ranking. Over the course of the last 11 years, this journal has experienced varying rankings, reaching its highest position of 1326 in 2015 and its lowest position of 4275 in 2024. The standard ISO4 abbreviation for the Frontiers in Oncology is Front. Oncol.. Frontiers in Oncology is classified as a journal that the Frontiers Media SA publishes. The Frontiers in Oncology encompasses the following areas: For a more comprehensive understanding of its scope, check the official website of this journal. The Frontiers in Oncology is assigned the following International Standard Serial Numbers (ISSN): 2234943X. The best quartile for the Frontiers in Oncology is Q2 (2024).
