Read The Middle Length Discourses of the Buddha as a Free member, or join as a Plus or All-Access member to read many of our books, any time you want, on the Wisdom website. In this article, I'm going to talk about two online tools that I have used, PowToon and Animatron, which let you easily create animated presentations and movies. You'll need to register on Animatron also in order to use all the free assets. I also recommended using a ready-made template because they include multiple slides, objects, transitions, etc., so you see exactly how items are added, controlled and manipulated on the canvas. Animatron also has a good library of vector images, backgrounds and objects that you can add to your canvas. You can adjust the entrance and exit effect for each object and the amount of time it remains on the canvas by clicking on the object in the timeline. Enjoy! Sign up for a Free membership today to explore the Wisdom Experience, and discover a whole new world of profound Dharma content. You can also upload your own images, sounds, and videos in addition to the assets they have in their library. More books are added weekly. You can learn how to use these two online tools in just a few hours. We'd love for you to be a part of that. Two possibilities are most commonly given: In the West, the Abhidhamma has generally been considered the core of what is referred to as "Buddhist Psychology". Watch our Wisdom Masterclass: The Art of Translating Tibetan with Thupten Jinpa Personalized recommendations Member-only sales Read a selection of beloved Wisdom books online (Over 20,000 pages) Selected Get access to the majority of our catalog of Wisdom Academy online courses Selected Access to full-length feature films and documentaries Time-limited Access to Selection Exclusive video content Selected Lecture Series, incl. You'll then see it at the bottom of the timeline also. For everything else, just click on it and the object will appear on the canvas. Think of it as Netflix for Buddhists: hundreds of hours of exclusive, ad-free Buddhist video content with the most beloved Buddhist thinkers and teachers. The literal translation of the term Abhidhamma is unclear. Watch the trailer below. Excerpt: Abhidharma (Sanskrit) or Abhidhamma (Pali) are ancient (3rd century BCE and later) Buddhist works which contain detailed scholastic reworkings of doctrinal material appearing in the Buddhist Sutras, according to schematic classifications. Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. And as a nonprofit organization, we'll be sending all membership revenue right back into supporting Dharma teachers and creating more amazing Buddhist content. Once you log in, click on Create at the top and choose from Start from Scratch or Customize a Ready Made PowToon. On the left are the slides, on the right is the library of objects you can add to your slides, the bottom is the timeline and the top is where you can control project settings. As you can see from above, the tools are all located on the left-hand side and the bottom contains the timeline, but with each object in its own layer. All-Access members can join intimate live video chats with your favorite teachers and get your questions answered. Get access to members-only offers and sales. Add to your library anything you want to save, building a personalized collection. Animatron also has a free version and a couple of paid plans. S. Mostly it just takes time getting used to the timeline and timing your objects properly. Thankfully, it's quite similar to tools like PowerPoint, so the learning curve is low. These classes will feature beautifully-produced videos that will teach you the skills you need to enhance and advance your understanding of Buddhism. Keep reading to learn about everything the Wisdom Experience has to offer, or click the Join button if you're ready to join now. Pages: 59. All-Access members have access to an exclusive selection of Wisdom Academy courses, including some only available to them. You can even draw with freehand and it'll allow you to instantly animate the object as a vector graphic. All Access members can take part in an exclusive selection of Wisdom Academy courses as part of their membership, getting access to \$2,000+ worth of content (and growing) for just \$299 a year. Animatron Animatron is similar to PowToon, but has some more advanced features. Imagine having full access to one of the largest, most authentic resources for Buddhist teachings to support your practice, all in one place. PowToon is fairly simple to use, but can create complex animations. Including Bhikkhu Bodhi's online course Meditation in the Theravada Abhidhamma, The Middle Length Discourses of the Buddha, and our first Wisdom Masterclass: The Art of Tibetan Translation with Thupten Jinpa Imagine studying meditation as its taught in the Abhidhamma with one of the foremost scholars and translators in the Theravada tradition, Bhikkhu Bodhi. It's time to start your adventure. You have to sign up with PowToon in order to start using the tool, but it's free. Q&As Access to Lecture 1 Time-limited Access Video chats with Wisdom authors We made the Wisdom Experience for you. Transitions can only be added when you have more than one slide. If you want to create one of those nice cartoon-looking presentations where everything is animated, text flies across the screen, etc., then you have a couple of cool online tools that can get the job done. Imagine getting personalized recommendations on what to read, watch, and listen to next. These include text effects, image holders, characters, animations, props, backgrounds, shapes, markers, action buttons, and transitions. Chapters: Abhidharma, Kathavatthu, Dhammasangani, Jnanaprasthana, Vijnanakaya, Prakaranapada, Dharmakandha, Sangitiparyaya, Prajnaptisasthra, Vibhanga, Dhatukaya, Yamaka, Dhatukatha, Patthana, Puggalapannatti. We've built a revolutionary platform so that you can do just this: it's the premier membership site for Buddhists. They also have a tutorial section with a lot of videos. In the commentaries of Theravada Buddhism it was held that the Abhidhamma was not a later addition to the tradition, but rather represented the first, original understanding of the teachings by the Buddha. Cousins, the suttas deal with sequences and processes, while the Abhidhamma describes occasions and events. Films are also available to All-Access members. There are many free software animation tools out there, but these usually come with quite a high learning curve because of their advanced tools and feature sets. Overall, it works really well, is easy to use and doesn't cost anything for creating short videos you might want to share with friends or family. If you want more control over objects on the canvas, then Animatron is the better choice. To get started, you can add objects from the panel on the right. Overall, these two online tools are the best way to go about quickly creating animated movies or presentations without having to put in a large amount of time. Another advanced feature is the ability to add keyframes to alter the path and size of an object. The Abhidhamma works do not contain systematic philosophical treatises, but summaries or abstract and systematic lists. JOIN NOW There are no products in your cart. Free members can take Meditation in the Theravada Abhidhamma with Bhikkhu Bodi. Looking for a quick way to make an animated movie online? The customize option is nice because it gives you a whole bunch of ready-made themes and templates that you start your movie with. A lot require a paid package, but there are a decent number of free items too. By joining the Wisdom Experience as a Free member, you can explore a small portion of everything it has to offer before deciding what type of membership you want. According to legend, shortly after his awakening the Buddha spent several days in meditation, during which he formulated the Abhidhamma. Another cool thing about Animatron is that everything is a vector object and can therefore be re-sized and animated without becoming grainy. "Like" books, videos, and more to show your support for your favorite teachings and authors. The interface of Animatron is more akin to that of Photoshop than PowerPoint. They also have several tutorials on their website to help you learn the features faster. One major reason to go with Animatron is that the whole animation is done using HTML5. According to L. You'll also notice that a lot of stuff they have says Premium, which means you can only use it if you upgrade to their paid plans. Both services have free versions with certain restrictions like only being able to share the presentation online and not being able to remove the watermark and outro from the final presentation. Enroll in Bhikkhu Bodhi's online course, Meditation in the Theravada Abhidhamma, read The Middle Length Discourses of the Buddha in the Reading Room, set up your library, and more. All-Access is currently closed, but you can join the waiting list to be the first to find out when it opens! Meditations in the Theravada Abhidhamma, a new online course with Bhikkhu Bodhi, is included in our Free membership. Later, he traveled to the heavenly realm and taught the Abhidhamma to the divine beings that dwelled there, including his deceased mother Mahmy, who had arisen as a celestial being. Imagine that whenever you want, you can read the profound teachings from the Dalai Lama, Joseph Goldstein, Ajahn Brahm, and many other powerful teachers. Which is why we've created a Free membership for you. With layers, you can do far more advanced animations than you can in PowToon. This means you can take 10+ courses for just a little over the cost of one. This means that someone viewing your movie doesn't need to have Flash installed on their system, which is not the case for PowToon. Our first Masterclass, produced in partnership with the Tsadra Foundation, will be Translating Tibetan with Thupten Jinpa, His Holiness the Dalai Lama's principal English translator. Not illustrated. The Abhidhamma is thus presented as a pure and undiluted form of the teaching that ... Free members can access the first lecture in our filmed lecture series. Plus members get access to complete lecture series when they're first released, and All-Access members get ongoing access to the lecture series. The tradition holds that the Buddha gave daily summaries of the teachings given in the heavenly realm to the monk riputra, who passed them on. Start lesson 1 of Meditation in the Theravada Abhidhamma as soon as you create your Free membership, and begin your journey to discovering the forty meditation subjects in Buddhist literature, the role of attaining jhana in the Buddhist path, the path and fruit of stream entry, and the meaning of meditative attainment. When the main interface loads, you'll be presented with a short tutorial on how to navigate around. According to the Macmillan Encyclopedia of Buddhism, Abhidhamma started as an elaboration of the teachings of the suttas, but later developed independent doctrines. If you have a Wisdom Academy account, or if you've created an account for checkout since the Wisdom Experience launched this summer you can use that to access your Free membership. This Masterclass will be included in our Free membership. If you're a Plus or All Access member you can read the most profound teachings from the Dalai Lama, the Karmapa, the Sakya Trichen, and many other powerful teachers, whenever you want. We'll soon launch an exciting new initiative: Wisdom Masterclasses. New books added every week! The Middle Length Discourses of the Buddha translated by Bhikkhu Nanamoli and Bhikkhu Bodhi is included in our Free membership. PowToon PowToon will allow you to create up to a 5 minute movie for free that you can publish online to their website or up to YouTube. If you plan on using these tools professionally, you can look into the paid options as well that remove these restrictions and give you more features.
